Creative: UI/UX Design, Adobe Creative Suite, Figma, Photography, Video Editing

Engineering: CAD Design, 3D Modeling, Sustainable Design, Project Management

Professional: Communication, Leadership, Problem Solving, Team Collaboration

Automotive: Engine Diagnostics, Performance Tuning, Restoration, Racing

EDUCATION

University of Colorado Boulder

August 2025 - May 2027

M.S. Engineering Creative Technology and Design

Boulder, CO

Rollins College

August 2020 - May 2023

B.A. Computer Science — 4.0 GPA

Winter Park, FL

University of Central Florida

August 2022 - December 2022

Object Oriented Programming

Orlando, FL

University of Colorado Boulder

May 2022 - August 2022

Software Development

Boulder, CO

Radford Racing

May 2021 - June 2021

Driving School

Rhode Island School of Design

June 2019 - August 2019

Industrial Design Sketching & Rendering

Providence, RI

University of Massachusetts Amherst

August 2019 - December 2019

Sustainable Engineering & Architecture

Amherst, MA

PROJECTS

Car Restoration

Skills: Mechanical Engineering, Project Management, Problem Solving

Complete restoration of a classic vehicle, involving engine rebuild, bodywork, and electrical system overhaul. Managed timeline and budget while learning advanced automotive repair techniques.

ADDITIONAL INFORMATION

Racing Experience

Completed professional driving school at Radford Racing, developing high-performance driving skills and understanding of vehicle dynamics.
